NATCHEZ

The buffet system NATCHEZ impresses with its wooden boxes in trendy vintage style and great variety. The practical modular system offers you high flexibility so that you can create your buffet according to your wishes. Even more variations are possible if you combine the robust boxes made of solid wood with our buffet bowls and presentation platters made of stainless steel, melamine, porcelain or polypropylene.

Skirting PORTO

We make the table covering to a quick and easy thing: This complete skirting you just hang over your table - done. For secure attachment, the multipack (see fig. 1) contains several practical mounting aids, which offer suitable solutions for all decoration variants. In addition, you can use overlapping clips to individually balance the length of your tablecloth for tables of different lengths. The fired seam also ensures a naturally soft fall. Supplied with hanger, which allows a crease-free storage. Height: 71-73 cm.

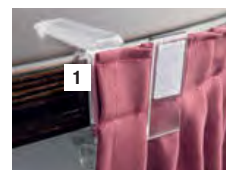

Material: 100% polyester, 40 °C washable, hang up wet, easy-iron.
Special sizes on request.

Clip with spring

Velcro

Overlap clip

Multipack

Includes 14 clips with spring for attachment to the edge of the table, 6 m velcro (2 cm wide) for fixing to the edge of the table and 3 overlap clips for fixing any overlap.

Furniture series CHESTERFIELD

Vintage look and traditional English style combined at its best. Armchair and sofa are made of robust imitation leather in the colors cognac, brown and anthracite and with everything that makes this furniture so special: Traditional button back details made of elaborate and careful handwork, generous seating area and a rivet decoration on the front. The high seating comfort is created mainly by the high-quality upholstery, which materials are fire retardant. Plastic gliders under the wooden legs (please order separately) made of turned and stained beech wood make shifting easy.

Cover: Imitation leather, legs: Beech solid, stained.

Comfortable thanks to a large seating area and high-quality upholstery! Easy to clean!

Furniture series STAFFORD

The comfortable seating elements and benches made of high-quality imitation leather fit perfectly to our solid wood table DONATO (www.em-group.com) and the lounge furniture series MANCHESTER (fig. 19 - 26). By combining the benches with the stools in different colors, you can always create a new ambience in the twinkling of an eye. All parts are made of a spruce frame with chipboard, which makes them particularly stable.

Cover: Imitation leather with decorative seams!

Furniture series WINCHESTER

Our series WINCHESTER convinces with style and quality and can be wonderfully combined with many of our tables and lounge furniture. The frame of the bar chairs and chairs is made of solid beech wood, is tobacco stained and lacquered. Both variants have high-quality imitation leather upholstery in a vintage look in different colors - matching your ambience. The backrest features a traditional button back which is made in high-quality handwork. The bar chair also has a foot rest made of black powder-coated steel. Both chairs are very comfortable - so your guests will be happy to stay a little longer! Plastic gliders on the bottom protect your floor.

Material: Beech solid, tobacco stained and lacquered, cover: Imitation leather. Easy to clean! Button back! Very comfortable! 3-year availability guarantee!

■ Solid wood

Barstool METALIO

This barstool inspires in the trendy industrial style! Its frame is made of sturdy steel and gets its vintage look through a special paint. The seat is available in two variants: The wooden seat with the ergonomically shaped seat recess is made of high-quality, solid oak wood and grey stained and lacquered. The upholstery seat is made of high-quality imitation leather in vintage look. Practical plastic gliders on the bottom protect your floor. Delivered assembled.

Material: Frame made of steel. Surface in vintage lacquered. Seat made solid wood or imitation leather.

Industrial style! Easy to clean! Combinable!

Furniture indoor

Furniture series VITTO

These pieces of furniture are reminiscent of creative artist studios. Stool and barstool are made of solid, brushed oak. By a stylish screw thread, the seat height of the stool can vary from 47 cm to 60 cm and the barstool from 74 cm to 87 cm simply and playfully. The foot rest made of steel does not only allow to sit comfortably but also serves the stability of these casual and extravagant stools.

Material: Solid oak, stained. Combined with powder-coated metal.

Stable! 3-year availability guarantee!

Barstool SEQUENCIO

Those who sit for a long time should at least sit as well and healthy as possible! Under the claim VEGA Sitness you will find first-class conference chairs for ergonomic seating. The focus of this innovative seating furniture is a three-dimensional seat joint, which decouples the rigid connection to the chair base, thus providing micro-movements while sitting, relieving and strengthening the spine.

Material: Imitation leather or fabric: 70% wool, 25% polyamide, 5% other fibers.

Available in 2 wood colors

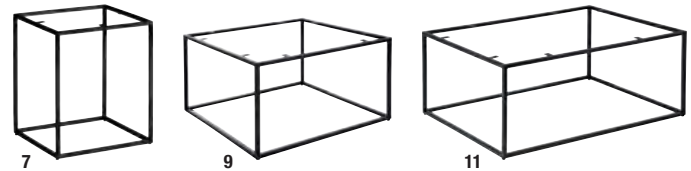

Bar furniture series CAJUS

The real wood table tops and barstool seats are available in oak and beech. The oil-wax treated table tops and seats are easy to clean with a damp cloth. These must be ordered separately. The table tops are equipped with metal braces, which prevents deformation of the table tops while allowing the natural product wood to work.

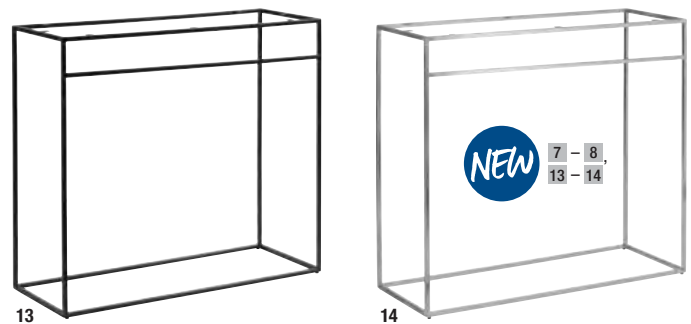

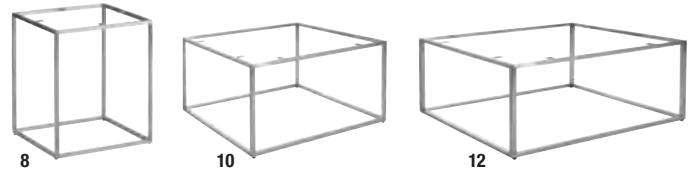

High-quality stainless steel and real wood! Easy to clean!

Furniture series TORRES

The industrial look is one of the very hot gastronomic trends. If you prefer the vintage style in your bar, brewery or latest hotspot, this series is your best choice: The sturdy metal frame is not powder-coated, so that the natural steel look, with its slight traces of corrosion, is retained. Matching with screws and nuts. The table and bench top made of high-quality, solid oak (stained and lacquered) are easy care and complete the vintage look perfectly. Can be combined with our table tops TORRES (www.em-group.com). Easy assembly, delivered disassembled.
